## **Contacting Donors May 1 to today**

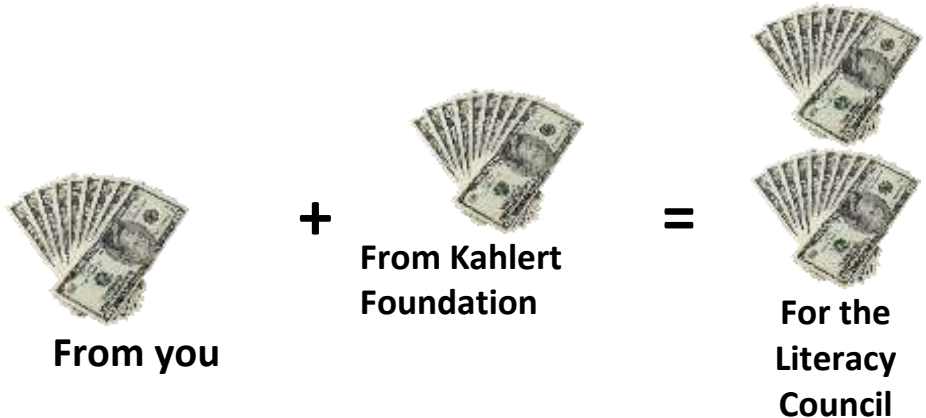

When we revamped our website May 1, **we neglected to change the Donate button link from the Community Foundation to the Literacy Council.** It has come to our attention that donations made to us for the period May 1 to today did not come to us but stayed with the Community Foundation.

We have since set up a new PayPal account and button that will link your donation directly to the Literacy Council.

The Community Foundation has been very helpful in helping us sort through the donations.

If you did not receive an acknowledgement of your gift from the Literacy Council, PLEASE, contact us.

We sincerely wish to acknowledge the gift you gave to us and we will verify that your gift will support our literacy work in Carroll County.

## **Generous Matching Grant**

**The Kahlert Foundation** has offered the Literacy Council a matching grant for the upcoming holiday season. The Literacy Council receives donations year round but donations naturally culminate during the holiday season and/or yearend tax planning. This year donors have the opportunity to have their gift doubled by the Kahlert Foundation. As an example, if you donate \$100.00 to the Council, then the Kahlert Foundation will match it with an additional \$100.00 donation.

The matching period will be from  
December 1, 2017 to January 15, 2018.

**Thank You, Ahead of Time  
Thank you, Kahlert Foundation**
