## HAPPY 40<sup>TH</sup> ANNIVERSARY!

The Literacy Council is celebrating 40 years of providing educational opportunities in various programs to the adults of Carroll County. Hundreds of volunteers and students have participated over the years and to each and every one I say thank you and congratulations on building a better community. We are still growing and expanding our impact in the community and looking forward to the next 40 years with the great anticipation that we will be able to match the efforts of our first 40.

Typically, an organization would celebrate this event in the month that they were founded. We are going to be different and are looking at a fall date to celebrate our 40 years. We are doing this so that people's vacations and other summertime functions do not interfere with this event. Stay tuned for more information as we approach the fall season.

### Sean O'Connor 1997-2019

It is with deep, heart-felt sadness that The Literacy Council was informed of the death of Sean. Sean was an honor student at Westminster High and a 2015 graduate. He was a cinophile, creator of music, an avid reader and writer.

His parents, James and Joann O'Connor, and his family had generously asked that contributions be made to The Literacy Council in Sean's name.

We have received many such contributions and are still receiving them. Thank you.

**It is obvious,  
Sean lit up the hearts  
of so many.**
